Appeal _____

Appellant _____

Plaintiff _____

Appellee _____

Defendant _____

To Grant Certiorari _____

Expectation of Privacy _____

Exclusionary Rule _____

Moot Court Problem

Print the Moot Court Problem (sent as a separate attachment). You can use a three-ring binder or easily have it spiral-bound at FedEx, Staples, etc.

We recommend you read it twice through before arriving. This document is your life-blood for the event. The better you know this document the more equipped you will be to tackle everything we and the Law Professors expect of you throughout the event.

STRUCTURE

As noted in its table of contents, the Moot Court Problem document is comprised of four chapters:

Chapter 1: The Problem/Fact Pattern - *includes detailed descriptions of events, issues on appeal, and statements from key persons.*

Chapter 2: The Law

A. Constitutional Law - *Fourth and Fourteenth Amendments*

B. Case Law - *historic cases applicable to the Problem.*

Chapter 3: Opinion of the Lower Court

Case Law Study Guide

Read all nine cases in the Case Law. Then, choose three cases to study a bit more in-depth. Reread them and answer the following questions for each.

CASE LAW 1
