

TEENPACT LEADERSHIP SCHOOLS
ANNUAL REPORT

M I S S I O N

TeenPact seeks to inspire youth in their relationship with Christ and train them to understand the political process, value their liberty, defend the Christian faith, and engage the culture at a time in their lives when, typically, they do not care about such things.

Greetings to you!

The 2024 season has been another exciting year of increase. This year, we have conducted more classes for more students in more locations than ever before. A total of 6,473 students (aged 8 to 19) attended a State Class, representing a 17.7% increase from the previous year.

Because of your donations, TeenPact was financially able to meet the growing demand of student numbers in 2023. *Thank you for your sacrificial investment in these young lives!*

The number of State Classes is increasing again, from 63 in 2023 to 70 in 2024 due to the abundant interest in many states.

With the trajectory set for expansion, 2023/2024 is also a year of historic transition as TeenPact welcomes the third CEO in its 30 year history. Founder Tim Echols passed the baton to me at National Convention in 2010, and I now have the wonderful opportunity to pass the mantle of leadership to Chris May, who has been prayerfully and carefully selected to serve as the next CEO. I, along with the Board of Directors, have the highest confidence that Chris is well-prepared to lead with excellence and carry forward the vision of Changing Lives to Change the World!

I am incredibly grateful to you for your investment in TeenPact's mission to train and disciple the next generation of servant leaders. Exciting days are ahead as TeenPact responds to the growing interest and need for biblically-based civics, peer-led discipleship, and leadership training. ***Thank you for your faithful giving and for your continued prayers for this ministry.*** God continues to use your support of TeenPact to bring powerful discipleship and training to thousands of students each year. I also want to take a moment to thank you for your support for me and my family in the past, and am confident that your support will continue to be extended to Chris and his family in the future.

Blessings,

Chris May
President and CEO

WHY I SUPPORT TEENPACT

TeenPact supporters explain below why they give to this ministry.

“I support TeenPact because I have seen with my own eyes the character of the young men and women it produces, and because there is no other ministry like it.”

– JUDGE TIMOTHY BATTEN, SR.

“In society, there has never been a greater need for God-inspired teachings like TeenPact inculcates in our teens to offset the darkness in culture that we see today.”

– JOHN DUPLESSIS, SR.

“We want to invest in an organization that has invested in our family. TeenPact’s mission is needed because change comes from the inside. If the younger generation is changed through God’s love, then our world will be changed.”

– SCOTT AND STEPHANIE PURDY

God has equipped each person to do His good works. TeenPact prepares young people to be ready to serve in a powerful way.
