

TEENPACT LEADERSHIP SCHOOLS  
**ANNUAL REPORT**

## **M I S S I O N**

TeenPact seeks to inspire youth in their relationship with Christ and train them to understand the political process, value their liberty, defend the Christian faith, and engage the culture at a time in their lives when, typically, they do not care about such things.

## Greetings to you!

Your generous support has been instrumental in TeenPact’s mission to provide young people with civics education rooted in biblical principles, along with leadership and discipleship training. **Thank you for your faithful giving and prayers, which are crucial to our mission of inspiring the next generation to love and serve the Lord and others in all areas of their lives.**

The 2024 State Class season produced a tremendous impact, reaching thousands of students from every state. **More than 6,000 students (ages 8 to 19) participated this year.** Notably, more One Day students (ages 8 to 12) joined us than ever before, pointing to a promising future. We also expanded our offerings with a total of 66 State Classes. Plus, we introduced a new early registration process, and over one-third of this year’s students have already signed up to attend a State Class in 2025!

**We are especially thrilled to share that we launched a brand-new Alumni Event this year—TeenPact Business!** This exciting addition brings our total Alumni Events to eight, giving over 1,200 students the opportunity to receive advanced, hands-on training tailored to their unique gifts and future aspirations. **Whether exploring leadership in the world of business or deepening their biblical foundation, students left these events equipped, inspired, and ready to make a difference in every area of their lives.**

**We are also excited to announce that TeenPact is now a member of [ECFA](#) (Evangelical Council for Financial Accountability).** Ministries that display the ECFA seal are committed to high standards of transparency and financial accountability—often far exceeding legal requirements. This commitment ensures you can give confidently to ECFA-accredited members.

While we celebrate these achievements, we are mindful of the rising costs of hosting our State Class programs. After careful consideration, our board chose not to raise registration fees for Four Day students. **We want to ensure that our programs remain accessible to all, and your continued support helps make this possible.**

**Thank you for your investment in shaping the next generation of servant leaders.** Exciting days are ahead as we continue to respond to the growing need for biblically based civics education, peer-led discipleship, and leadership training.

## WHY I SUPPORT TEENPACT

TeenPact supporters explain below why they give to this ministry.

*“I support TeenPact because I have seen with my own eyes the character of the young men and women it produces, and because there is no other ministry like it.”*

– JUDGE TIMOTHY BATTEN, SR.

*“In society, there has never been a greater need for God-inspired teachings like TeenPact inculcates in our teens to offset the darkness in culture that we see today.”*

– JOHN DUPLESSIS, SR.

*“We want to invest in an organization that has invested in our family. TeenPact’s mission is needed because change comes from the inside. If the younger generation is changed through God’s love, then our world will be changed.”*

– SCOTT AND STEPHANIE PURDY
